SKILLS

Technical Skills
Projection mapping, digital illustration, 3D modelling, video editing and photography.

Software Skills
Adobe suite (Photoshop, Premiere Pro, Illustrator, InDesign, After Effects,...) Blender, Touch Designer.

INTERESTS

Music
Attending concerts and discovering new music, listening to French rap, learning how to make music, asking people about their favorite song...

Photo and video
Filming friends, taking photographs and editing videos to capture lasting memories.

Nature
I love the ocean, Corsica and peaceful, calming environments. I also have a soft spot for cats!
